BEST TOOLS never die

Tools for eternity. In ultra-cool storage solutions.
For those with infinite personality. Like you.

Valid until February 28, 2026

STAHLWILLE®

MADE FROM STEEL. BUILT TO LAST.

The new STAHLWILLE tool trolley: Cool look, strong finish!

For everyone who doesn't just work – but gets things done. For those with infinite personality. The TTS95 PRO in the new **Best tools never die** design with high-quality UV coating. Either as a tool storage solution for existing tools, or equipped with pre-configured tool sets.

Workshop trolley, empty

High-quality and perfectly equipped, 7 fully extending drawers and paper roll and spray can holders included as standard. High-resolution, durable print image thanks to modern UV printing process (no foiling).

95/7 PRO NDE
Product no. 81200175

*Only at participating retailers whilst stocks last.

Certainty.

Three-stage safety concept: Central locking with a lateral cylinder lock. The individual locks prevent inadvertent opening during transit – the tilt protection prevents multiple drawers from being pulled out at the same time.

Robust.

A solid construction and high-quality materials ensure exceptional durability. With a tightly welded stainless steel tray – so no liquids can penetrate into the interior of the trolley. Includes an all-round impact protection and shock absorbers.

Resilient.

Thanks to its robust construction, the 95 PRO has a static load capacity of 750 kg. Thanks to reinforcements, the drawers hold with 30 kg, and the bottom drawer can even take 45 kg.

STAHLWILLE TOOL SETS –
Best tools never die-Edition.
