3 bits TORX® with hole: T20; T25; T30
3 bits INHEX: 4; 5; 6 mm

Benefits.

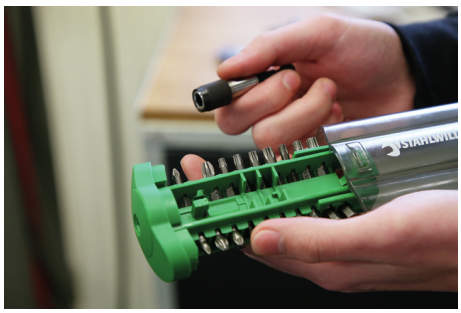
High-quality 21-piece bit set with the most common bits for work on bicycles, cars, motorbikes, etc.

Secure storage in a practical plastic box that slides open - also suitable for screwdriving thanks to integrated bit holder.

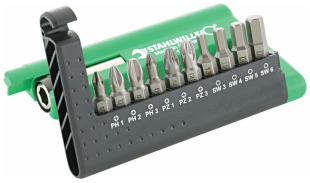
The bit box has an integrated bit holder for quick use.

The practical bit holder with quick-change chuck and magnet makes working easier.

Thanks to the handy box size, it is easy and convenient to take it with you when travelling.



Product highlights.



Large selection.
STAHLWILLE offers an extensive range of bits for different screw types. This is particularly practical if individual bits are lost, as they can easily be reordered individually.

PRODUCT IMAGE IN PROGRESS

Space-saving storage.
The bits are housed in a compact and robust box to save space. This makes them convenient and compact enough to carry anywhere. The transparent cover provides a quick view of whether the bit set is complete.

PRODUCT IMAGE IN PROGRESS

Practical quick-change bit holder.
The set can be used reliably thanks to the self-locking magnetic bit holder with quick-change function. The magnetic bit holder ensures a stable hold of the bits and prevents annoying slipping. Quick and efficient use of the bits is achieved using the internal hex socket in the box.
