Pipe cutters

ROHRSCHN.RAPID 1.1/4-4 ZOLL STAHL

Product no.	**56010004**
GTIN	**4022668100041**
Model	**ALARM 10004 2-4**

Label. Pipe cutters 60-114mm

Properties.

- spring pressure system ensures improved cutting and longer service life of the cutting wheel
- quick-change cutting wheel system without tools
- with additional lever (2-4" version)
- forged steel body

Benefits.

The high-quality ALARM pipe cutters enable precise and clean cutting of steel pipes, ensuring accurately prepared pipe ends.

The forged steel body makes this pipe cutter particularly resistant to daily, demanding insert.

The ergonomically shaped T-handle fits securely in the hand and facilitates fast, powerful turning.

The integrated spring pressure system enables a controlled, even cut with significantly less effort.

Thanks to the quick-change system, the cutting wheels can be replaced in seconds without additional tool.

Product highlights.

Robust in tough construction site use.
The fully forged steel body gives the ALARM pipe cutters high stability and durability. Even under heavy load in daily use - whether in plumbing, heating or industrial pipework - the tool remains reliable, dimensionally stable and powerful.

Clean cuts and long service life.
The intelligent spring pressure system ensures optimum contact pressure during rotation. This ensures that the pipe is cut evenly - without jamming, without scoring and without unnecessary load on the cutting wheel.

Non-slip grip.
The ergonomically shaped T-handle ensures a comfortable, non-slip grip - even with wet or oily hands. The non-slip surface allows the steel pipe cutter to be guided safely at all times and remains reliable in the hand, preventing slipping and enabling precise, controlled work.

Technical attributes.

Length mm (L)	625 mm
Pipe diameter max. (mm)	114 mm
Pipe diameter max. (inch)	4 "
Pipe diameter min. (mm)	60 mm
Pipe diameter min. (inch)	2 "
Area of application	für Stahl

Logistics data.

Product no.	56010004
GTIN	4022668100041
Weight (g)	7000 g
Volume (packaged, dm3)	8.3125 dm3
Packing standard	1
WEEE/ElektroG	nicht ear-pflichtig
Customs tariff no.	82034000
Country of origin AWR	SPAIN
Region of origin	Ausländischer Ursprung
Depth mm (IFS)	625
Width mm (IFS)	190
Height mm (IFS)	70
Weight (gross, kg)	7,080
Weight PAP (kg)	0,250
Weight PVC (kg)	0,000
Length (packaged, mm)	625
Width (packaged, mm)	190
Height (packaging, mm)	70
