Magnetic tray

650 MS

Product no.	**90432779**
GTIN	**4018754345380**
Model	**650 MS**

Label. Magnetic tray

Properties.

- easy attachment with rubberised magnetic base
- for bolts, nails, bits, and other small metallic parts
- chrome-plated steel
- resistant to water as well as weak acids and alkalis

Benefits.

Secure hold thanks to the strong magnet.

Suitable for storing bolts and nuts as well as smaller screwdrivers and spanners.

STAHLWILLE: For over 160 years, we as a traditional German company from Wuppertal have stood for tools that are appreciated around the world for their excellent quality.

Flexible attachment to all metal surfaces.

The magnetic tray is suitable for use in workshops, garages, construction sites and offices.

Product highlights.

Not only metal screws, bits and nuts, but also small screwdrivers and wrenches stick securely to the magnetic base of the tray - so you won't lose any small parts while you work!

Outstanding craftsmanship.
The tray is made of stainless chromium steel and offers good resistance to water, as well as weak acids, and alkalis, making it suitable for both indoor and outdoor use.

Universal mounting.
With its convenient size, the magnetic tray can be attached to any metallic surface in the workshop, garage, or office. The strong magnet allows the tray to be fixed in almost any position. The rubber foot protects the surface from being scratched.
