Tool assortment with workshop trolley, 130-pieces

93/130

Product no.	**98830177**
GTIN	**4018754335312**
Model	**93/130**

Label.

Tool assortment with workshop trolley 93/130 Drawer6 anthracite, RAL 7016 130 pcs.

Properties.

Key features of the tool trolley
Two-stage safety concept:

- central locking with a cylinder lock and folding key
- tilt protection - it is not possible to pull out several drawers at the same time
- 2 handles, all-round impact protection
- durable plastic tray made of ABS with compartments for small parts
- oil and acid-resistant wheels (Ø 125 mm) with bearings protected from the ingress of dirt and fibres, and 2 parking brakes
- perforation on both sides for hooks No. 8031-8041, e.g., for larger tools
- 6 easily removable drawers (black, RAL 9005) with full extension runners (370 mm) and ball bearing cage guide
- with paper roll holder
- safely integrated in the modular Tool Control System (TCS)

Benefits.

Robust tool trolley with 6 fully extendable drawers and central locking, including a 130-piece tool set.

Extensive range for the highest demands: ratchets with extensions, sockets up to 32 mm, bit ratchet screwdriver and bit box, screwdrivers, various pliers and much more.

The tool is securely stored in chemical-resistant, durable foam inlays with precise tool recesses and a signal coloured base layer.

Customised basic equipment or expansion of existing equipment in businesses and workshops.

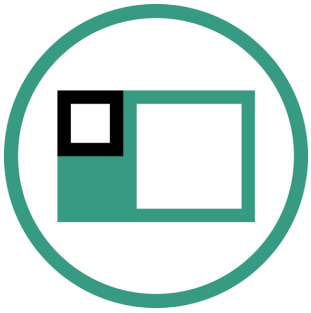
The sturdy 93/130 has a static load capacity of up to 500 kg; the bottom drawer can hold up to 45 kg.

Product highlights.

Takes on anything.
The 877 x 481 mm work surface is particularly suitable for working on large components. The integrated compartments for small parts ensure a tidy and clearly arranged storage area. Thanks to its robust construction, the TTS 93 has a static load capacity of 500 kg. Thanks to reinforcements, the drawers can be loaded with 30 kg and the bottom drawer even with 45 kg.

Full configuration as standard.
Whether paper roll holders, perforations on both sides for attaching accessories, locking brakes or oil and acid-resistant smooth-running castors (Ø 125 mm) with thread protection. Our tool trolley comes with many features as standard.

Technologies and features.



Modular Inlay System
This flexible solution for tool storage makes it possible to customise your tool trolleys and workbenches with 1/6, 1/3, 2/3 or 3/3 foam inlays.

Tool Control System
The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.

Technical attributes.
