1 STAHLWILLE bottle opener: L. 135 mm

Benefits.

This set supports disassembly, cleaning, gripping work, and the controlled handling of typical service tasks on connectors.

Highlights include the powerful work light and extensive L-Key set, complemented by pliers and scrapers.

The organised inlay makes it easier to check completeness, shortens set-up processes, and supports clean, traceable processes in day-to-day service work.

Designed for industrial repair work, it arose from combined requirements of recurring maintenance and assembly processes.

The target group includes repair and service technicians who require a wide range of tools for defined work sequences, always ready to hand.

Technical attributes.

Length mm (L)	350 mm
Width mm (b)	530 mm
Height mm (h)	50 mm
Drawer dividers	3/3
Number of tools	25 pcs.

Logistics data.

Product no.	96830306
