Article number:	967/9 TX XL Multicolour 1	**Country of origin:**	CZ
		Customs tariff number:	82041100

- The TORX® ballpoint on the long arm allows offset applications
- With Take it easy tool finder: colour coding by size
- The plastic sleeve ensures that work is pleasant and safe even at low temperatures
- BlackLaser for high corrosion protection and long service life
- Wear-resistant inscription of the sizes of the L-keys contained on the clip

Premium L-key set for TORX® socket screws. One arm extra long. Includes some tools with ball head: The ball on the long arm allows safe working even in difficult installation positions. L-keys with plastic sleeve made of circular, easy-grip material. The sleeve makes working comfortable even at low temperatures and is easy on the fingers. Take it easy tool finder with colour coding by size. The BlackLaser surface treatment makes for excellent surface protection, even from corrosion, and for long durability. Lasered and therefore abrasion-proof size marking on the L-key for quick access. In a handy clip made of wear-free material for a permanently secure hold of the L-keys while also being easily accessible.

L-keys with a thermoplastic sleeve

L-keys with a thermoplastic sleeve are manufactured out of easy-to-grip, circular material. The sleeve ensures that work is safe and comfortable even at low temperatures. High corrosion protection features thanks to the special BlackLaser surface treatment. Colour coding and large stamp to enable the desired L-key to be easily located.

TORX® ball tip

The spherical drive profile means that it is possible to swivel the axis of the tool to that of the screw, and therefore enable angled, "around-the-corner" screwdriving jobs.

Size identification

The size of each L-keys has been engraved by a laser. In addition Take it easy L-keys have a colour coding according to sizes - for simple and rapid accessing of the required tool. Making it easy to find the right tool.

Secure hold and easy removal

The wear-resistant clip material ensures that the L-keys are securely held yet are easy to remove.

Take it easy tool finder system

Take it easy tool finder system - with profile and size colour-coding for quick and easy tool selection. Colour-coded system for hexagon drive screws (L-Keys, Zyklop bit sockets), external hex drive screws and nuts (Joker wrenches, Zyklop sockets and Zyklop bit sockets with holding function), and TORX® drive screws (L-Keys, Zyklop bit sockets).
