The Tool-Check Modular system

The Tool-Check Modular system offers the possibility of combining Tool-Check Modular products in a super-compact manner depending on requirements. All you need is the rigid adapter 9549 and the flexible hinge 9550, both included in the set. The Tool-Check Modular products can be combined, exchanged or expanded at any time.

Tool-Check Modular Imperial 1

21-piece tool set. With bitholding screwdriver for 1/4" hex drive bits, bit ratchet for 1/4" hex drive bits, bit holder for mechanical screwdriving, 13 bits, adapter 870/1 (1/4" external hexagon to 1/4" external square head) for 1/4" sockets, 1/4" Zyklop 8790 HMA sockets.

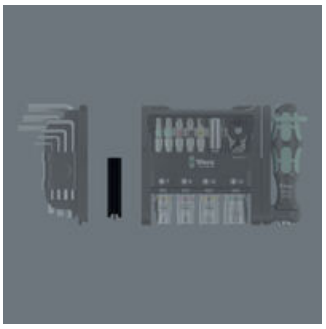
Tool-Check Modular Micro 1

22-piece tool set (Kraftform Micro 1014 bitholding screwdriver, bits with 4 mm external hexagon drive). Very compact storage in the Tool-Check Modular.

Tool-Check Modular L-key 1

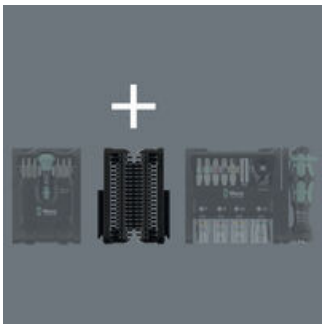
7-piece L-key set. Very compact storage in the Tool-Check Modular.

Adapter 9549 for the Tool-Check Modular System



Compact connection of two Tool-Check Modular products with the rigid connector 9549.

Flexible hinge 9550 for the Tool-Check Modular system



Flexible and compact connection of two Tool-Check Modular products with the connector 9550.

Compact folding up with the flexible hinge 9550

The hinge 9550 allows compact folding up of two Tool-Check Modular products.
