# Product data sheet
# 9032-03 KU 3 EAN-No. 4000896**226405**

**Application:**
Universal use in metalworking on almost all materials.
Deburring, rounding, levelling or machining contours

- Long service life and good cutting performance when used on diverse materials
- Milling pin, spherical shape, ∅ 3 mm
- For hand-guided or stationary drive machines
- According to DIN 8032

**HAZET application tip:**

- **Use as high speeds as possible**
- Contact surface between milling pin and workpiece should not exceed 30 % of the complete milling circumference
- Milling pins with 3 mm shaft
- Working length: approx. 13 mm (cylindrical and cone-shaped)
- Made in Germany
