EAN:	4013288232519	**Size:**	405x360x65 mm
Part number:	05150116001	**Weight:**	2652 g
Article number:	9726	**Country of origin:**	CZ
		Customs tariff number:	82041100

- Durable foam insert, each tool has its own place; two-coloured, missing tools will quickly be noticed
- High-quality, durable foam insert without chemical vapours
- Insulated and 100% individually tested Zyklop 8007 B ratchet for safe working up to 1,000 volt
- Fine-toothed ratchet with 80 teeth for a return angle of only 4.5°
- Extremely slim design with a soft, ergonomic grip zone for easy work even in very confined spaces
- Plastic sleeve protects surfaces from damage
- Sockets, bit sockets and extensions with increased safety thanks to a 2-component insulation with yellow insulation core under red outer insulation layer
- 8767 B VDE HF bit sockets with holding function for TORX® screws as per the specification Camcar Innovations, Michigan, USA

Durable foam insert; two-coloured for quick identification of missing parts; suitable for the Tool Rebel roller cabinet. Equipped with one Zyklop 8007 B VDE ratchet with reversing lever, one 410 i VDE B T-handle adapter screwdriver, 14 Zyklop 8790 B sockets, 6 Zyklop 8767 B HF bit sockets with holding function for TORX® screws, 4x 8740 B HF bit sockets with holding function for hexagonal socket screws, 2 Zyklop extensions (short and long).

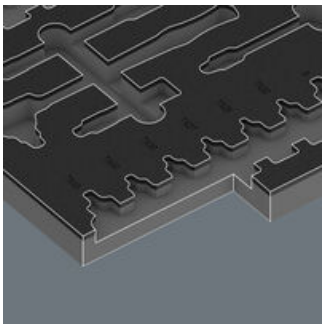
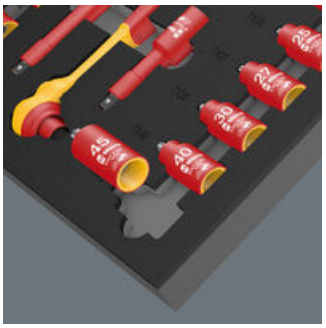
Safe storage and quick overview



The tools sit securely in the foam thanks to precise contour cutouts, but are easy to remove. The carefully designed arrangement of the tools ensures space-saving storage and quick access to each tool.

Two-coloured foam insert

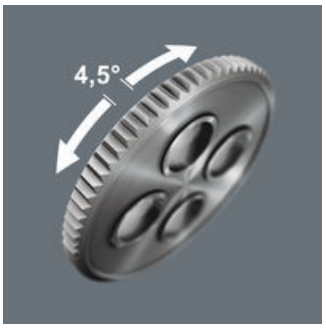


After removing the tool the light grey second foam becomes visible and therefore missing tools are quickly identified.

Individually tested

Safe working at voltages up to 1,000 V is guaranteed as all tools are individually tested at 10,000 V as per IEC 60900.

Fine-tooth design



The Zyklop VDE ratchet allows a short return angle of only 4.5 ° thanks to its 80 teeth.

For small spaces

The extremely slim design of the Zyklop VDE ratchet makes it easy to work, even in confined spaces.

Ball lock

The ball lock ensures sockets and accessories fit securely, providing increased safety during operation. A short press on the release button allows the tool to be changed quickly.

Switch lever

Switch lever for convenient change of direction.

For Wera VDE sockets and bit sockets

The 410 i VDE B VDE-insulated T-handle adapter screwdriver may only be used with the 3/8" VDE bit sockets and sockets of the Wera Zyklop VDE series 8740, 8760, 8767 and 8790.
