Product data sheet
609-E 20 XE 24

EAN-No. 4000896**024698**

Size E20, E24 · ⬢ ·

- Straight design
- Surface: chrome-plated, head polished
- Made in Germany
- Output: ⬢
- Wrench size: · E20, E24
- Dimensions: 224 mm
- Net weight: 0.17 kg

HAZET wrench – high precision tightening and loosening of screw connections

- Long service life due to:
  - High-quality chrome vanadium steel
  - Compacted material structure from drop forging
  - Careful heat treatment
- Correct hardness and dimensional stability as guarantors of wear resistance and high load capacity
- Shape, dimensions and surface design are perfectly coordinated to one another which guarantees functional handling and meets ergonomic requirements
- **Slim construction** through optimum material composition guarantees sufficient freedom of movement even with hard-to-reach screw connections
- HAZET torque values are considerably higher than the DIN ISO requirements for all wrench sizes – here DIN is the minimum requirement
- Slim open-end and box-end head shape does not reduce the wrench's loading capacity, although this is well below the maximum permissible limit value according to DIN ISO

Order Number	609-E 20 XE 24
