Product data sheet
650 RF-01 EAN-No. 4000896**206612**

Application:
Safe and damage-free installation, especially of run-flat and low profile tyres

- Optimised construction (reinforced, rounded, blunt edges) to prevent damage to the tyre casing
- Plastic protective sleeve prevents scratching of the rim and protects against slippage
- **Plastic protective sleeve** for pushing onto the tyre lever 650RF
  Prevents scratching of the rim and protects against the tyre lever slipping
  For 650RF/2 · 650RF
- The reinforced tyre wall on “run-flat” tyres and low profile tyres is significantly more rigid than the casing of conventional tyres. Using non-optimised assembly levers leads to tyre damage
- Made in Germany

Disclaimer
Unsuitable or defective spare parts or improper part installation may cause damage, malfunction or total failure of the tool.
The use of non-approved spare parts will void all warranty, service, compensation and liability claims against the manufacturer or the manufacturers agents, distributors and sales representatives.
