Product data sheet
2140 N-20 EAN-No. 4000896**268344**

Length: 280 mm

- Hickory handle
- With handle protection sleeve
- DIN 1041
- Made in Germany
- Dimensions: 280 mm
- **Splined bolt with washer head**
  – Ensures a much more secure connection between head and handle than ring wedges or other systems
  – Effectively prevents the hammer head from flying off
  – Tools can be placed on the hammer head as no components protrude from the head
- **Quality steel**
  – Higher alloy steel than specified by the DIN standard ensures longer service life of the edge break and the entire hammer
- **Steel handle protection sleeve**
  – Highest level of protection against handle breakage in the event of failure
  – Increases the flexural strength thanks to surrounding angled stabilising band
- **Hickory handle**
  – Reduces vibration, extremely resistant to bending and durable
  – Three to four times higher load capacity than standard ash handles
  – The long-fibered wood structure holds the handle together even when damaged
  – Even when the wooden handle has aged, the hammer head flying off is still prevented

Order Number	2140 N-20
