SDS-Plus "Wall Breakthrough" hammer drill bit set

907

Product no.	**56090710**
GTIN	**4022668907107**
Model	**90710/5 SDS-plus**

Label. SDS-Plus hammer drill bit set 5 pcs.

Properties.

- for wall breakthroughs in original Rose-Plastik® packaging
- long service life and low breakage probability even when hitting reinforcement thanks to highly effective hardening technology
- carbide cutting edge with aggressive tooth profile for effective grinding of the drilling material
- high drilling speed thanks to wide TWINMAX spiral
- vibration-optimised drilling behaviour for additional protection
- certified by the Mauerbohrer (PGM) testing association in accordance with the requirements of the German Institute for Building Technology (DIBt)
- professional quality 'Made in Germany'

Benefits.

The high-quality 5-piece set for precise wall drilling covers all common diameters from 10-20 mm.

The highly effective hardening jet technology reduces the risk of breakage, even when hitting reinforcement.

The vibration-optimised design protects the user during breakthrough work.

The aggressive tooth profile efficiently grinds the material and ensures fast work progress, even with hard wall structures.

The wide spiral significantly increases the drilling speed and at the same time ensures optimum material removal.
