1 combination pliers **No. 6700**: L. 180 mm

Benefits.

This set reliably supports gripping, cutting, and holding tasks during assembly, disassembly, and general service work.

Highlights include the water pump pliers and heavy-duty side cutters, complemented by traditional combination and telephone pliers.

This focused selection facilitates a secure grip, reduces the time spent searching for the right tool, and supports smooth, practical work processes.

Centred on connector technology, it arose from typical requirements in manual gripping and cutting work in service departments.

The target group includes service technicians and assembly specialists who keep traditional forms of pliers to hand in an organised format for a wide range of tasks.

Technologies and features.

Tool Control System
The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.
