

QuickRelease extensions 1/2"

509/1QR

Product no. **13011502**
GTIN **4018754324637**
Model **509/1QR 2**

Label. 1/2 " QR extensions L.51mm

- Properties.**
- with QuickRelease safety lock
 - with **recessed** button
 - with ball locking function
 - Chrome Alloy Steel, chrome-plated
 - DIN 3123 / ISO 3316

Product highlights.

A solution for every situation.

Our socket extensions are available in various versions (different output sizes, straight and bent shapes, with and without QR, imperial, with wobble drive or as a VDE version).

Safe for hard-to-reach screws.

The combination of optimal working length and ball lock ensures a secure hold of the sockets. This enables high and safe power transmission in hard-to-reach places and for low-lying threaded connections, e.g. for repairs on cars and trucks.

Outstanding craftsmanship.

The tool is forged from high-quality Chrome Alloy Steel, which gives it outstanding stability and durability in continuous use. It also has a corrosion-resistant chrome-plated finish.

Technologies and features.

QuickRelease

The QuickRelease safety lock prevents unintentional loss of sockets and insert tools. These click securely into place, and are only released again at the push of a button for a quick tool change. In transducers: The QuickRelease safety lock helps you to quickly mount and change transducers. The transducers lock into the calibration system and only unlock again at the push of the buttons.

Technical attributes.

Size	2
External square drive (inch)	1/2
Square drive inner (inch)	1/2 "
Length mm (L)	51 mm
d	23 mm
