Folding ruler

13112 2M

Product no.	**77470003**
GTIN	**4018754353132**
Model	**13112 2m**

Label. Folding ruler L.2m

Properties.

- accuracy class III
- dual scales
- folding mechanism made of hardened steel
- dirt-resistant spring rod joint for high tension
- 90° angle lock on all links
- dual 180° display on each link
- water-resistant, scratch-resistant
- CE mark
- glass-fibre reinforced special plastic, painted black

Benefits.

Reliable professional scale with a deeply embossed duplex scale (cm/mm), ideal for crafts and DIY.

The durable spring rod joints offer a stable 90° angle lock with equal tension on all links.

The scale is resistant to water as well as scratches and marks for an extremely long lifetime, even under demanding conditions.

Each link has a dual 180° angle indicator for precise alignment.

Thanks to its large numbering, the scale is easy to read from any angle and even from a distance.

Product highlights.

Time-saving angle measurement.
When it comes to aligning components, our ruler with its duplicate angle indicators (45°, 60°, 75°, 90°, 105°, 120° and 135°) on each link is a real time saver. These help you achieve the optimal working angle in no time at all without lots of measurements and calculations.

Wear-resistant joint.
Our levelling ruler is equipped with a low-wear, play-free and dirt-resistant spring rod joint. This ensures constant and robust voltage across all links for pinpoint accuracy, even when measuring heights or working overhead.

Easy to read.
Our ruler with accuracy class III delivers precise results with high reliability. The deep-embossed duplex scale in bright white on a matt black background, combined with the generous numbering, ensures optimal readability and accurate measurements.

Technical attributes.

L (m)	2 m
Width mm (b)	36 mm
Height mm (h)	16 mm

Logistics data.

Product no.	77470003
GTIN	4018754353132
Weight (g)	105 g
Volume (packaged, dm3)	0.109275 dm3
Packing standard	5
WEEE/ElektroG	nicht ear-pflichtig
Customs tariff no.	90178010
Country of origin AWR	CHINA
Region of origin	Ausländischer Ursprung
Depth mm (IFS)	235
Width mm (IFS)	31
Height mm (IFS)	15
Weight (gross, kg)	0,750
Weight PAP (kg)	0,000
Weight PVC (kg)	0,000

Length (packaged, mm)	235
Width (packaged, mm)	31
Height (packaging, mm)	15
