S-jaw pipe wrenches

952

Product no.	**87952005**
GTIN	**4005887414304**
Model	**952.5**

Label. S-jaw pipe wrench 1/2" L.245mm

Properties.

- Form C
- special jaw geometry with 3-point support for firm grip and non-slip handle
- with reinforced handle
- self-clamping on the workpiece, prevents loss of secured nuts
- with built-in protection against crush injuries
- induction-hardened serration for impressive dimensional stability and durability
- high-quality, hardened and tempered for excellent wear resistance
- double-T profile handle for safe handling
- DIN 5234

Product highlights.

PRODUCT IMAGE IN PROGRESS

Optimal accessibility.
With its S-shaped jaw and 45° head position, our pipe wrench can easily reach even hard-to-access pipe connections or tight angles. This special geometry optimises power transmission and makes it easier to work even in the tightest of spaces.

PRODUCT IMAGE IN PROGRESS

Firm bite.
The precisely ground, inductively hardened teeth are arranged against the direction of rotation. They grip uncompromisingly, ensuring an exceptionally firm hold on pipes and other round materials.

Self-locking effect for maximum force.
Even slight pressure on the legs is enough: the pliers clamp themselves onto the workpiece, reliably preventing slippage. This self-clamping effect makes it easier to apply high torques and ensures powerful work with minimal effort.

Ergonomic & safe to use.
The pliers handles with a double-T profile remain stable and comfortable in the hand even during longer use. The integrated clamping protection reliably prevents crush injuries and thus noticeably increases work safety.

Infinitely adjustable.
The jaw opening can be adjusted continuously and precisely using a knurled screw. This allows the pliers to be adapted to different pipe diameters in no time at all and thus flexibly to any work situation - without the need for additional tools. And the set dimension does not have to be readjusted for repetitive, equal applications.

Technical attributes.

Jaw opening max. (mm)	39 mm
Length mm (L)	245 mm
Alloy	Chrome Vanadium Steel
Pipe diameter max. (inch)	1/2 "

Logistics data.

Product no.	87952005
GTIN	4005887414304
Weight (g)	454 g
Volume (packaged, dm3)	0.2303 dm3
Packing standard	1
WEEE/ElektroG	nicht ear-pflichtig
Customs tariff no.	82032000
Country of origin AWR	GERMANY
Region of origin	Thüringen
Depth mm (IFS)	245
Width mm (IFS)	45
Height mm (IFS)	16
Weight (gross, kg)	0,455
Weight PAP (kg)	0,000
Weight PVC (kg)	0,005
Length (packaged, mm)	245
Width (packaged, mm)	47
Height (packaging, mm)	20
