Magnetic lifters

12600

Product no.	**77260060**
GTIN	**4018754048762**
Model	**12600 1800**

Label. Magnetic lifter Tension force 1800g Dia.15mm L.525mm

Properties.

- flexible magnetic lifter with ergonomically shaped handle
- for use in the workshop, industry, and household
- enables the recovery of nuts, bolts, and other small metallic parts from tight spaces

Benefits.

Flexible magnetic lifter for picking up screws, nuts and small parts from hard-to-reach areas and gaps.

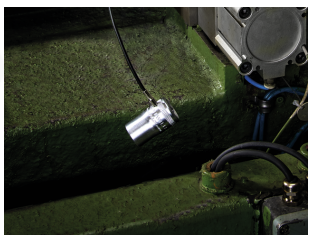

The extra narrow magnetic head and flexible shank effortlessly reach tight, angled areas, e.g. in the engine compartment.

With ergonomic handle and flexible, plastic-coated wire for safe gripping and pulling of objects.

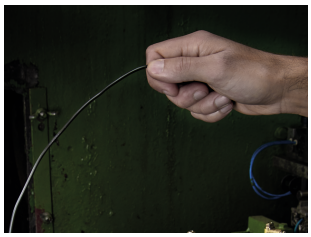

Indispensable helper for use in the workshop, industry and household.

Strong magnet lifts metal objects up to 1800 g.

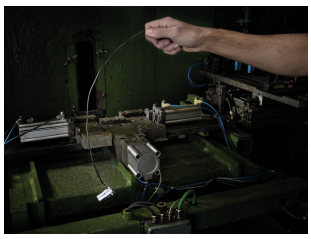

Product highlights.

Compact, strong magnetic head.
The slim magnetic head with a small diameter impresses with its strong lifting power. This makes it easy to pick up bolts, nuts, nails and small tools made of ferrous metals such as iron, cobalt, nickel and steel from tight corners, gaps and crevices.

Flexible shank for hard-to-reach corners.
The flexible gooseneck adapts flexibly to any form and can reach even tight, awkward or hard-to-see corners and gaps. This makes it easy to retrieve lost metal parts, for example in the engine compartment, behind furniture or in machinery.

Reliable support in every situation.
The robust plastic handle remains grippy, durable and reliable even under harsh conditions. For particularly deep-seated or stuck metal objects, the integrated hand stop provides additional support and more control when pulling them out.

Technical attributes.

Length mm (L)	525 mm
d	15 mm
Tension force (g)	1800 g

Logistics data.

Product no.	77260060
GTIN	4018754048762
Weight (g)	230 g
Volume (packaged, dm3)	0.515032 dm3
Packing standard	1
WEEE/ElektroG	nicht ear-pflichtig
Customs tariff no.	85051190
Country of origin AWR	GERMANY
Region of origin	Ausländischer Ursprung
Depth mm (IFS)	540
Width mm (IFS)	33
Height mm (IFS)	27
Weight (gross, kg)	0,230
