Stand tap socket wrench

130

Product no.	**56013027**
GTIN	**4022668130277**
Model	**Standhahnmuttersteckschluessel COMBI**

Label. Stand tap socket wrench with claw L.345mm

Properties.

- 1 socket each with 10 mm and 13 mm
- claw head with spring and stop
- can be used up to a socket size of 38
- ideal for screwing on long threaded bolts thanks to the hollow shank
- 1/2" drive for all 1/2" sockets
- reversible for clockwise and anti-clockwise rotation

Benefits.

Practical tool for tightening and loosening hard-to-reach screws and nuts on standpipes.

The claw head with integrated spring and stop ensures a secure hold and precise guidance when attaching the screw connection.

With two enclosed 1/2" socket inserts (sizes 10 and 13), ideally suited for the most common tap sizes.

The reversible claw 1302 with clockwise and anti-clockwise rotation allows both tightening and loosening.

The attachable claw up to size 38 mm makes it ideal for single-lever mixer taps and stand taps with central screw connections.

Product highlights.

Right-hand and left-hand rotation.
The reversible claw allows both clockwise and counterclockwise rotation. This makes assembly and disassembly easier and offers maximum flexibility - especially in tight or obstructed areas.

For hard-to-reach fittings.
The stand tap nut socket wrench is specially designed for tight spaces and enables screws and nuts on sink and washbasin fittings to be tightened and loosened safely. The hollow shank allows even long threaded bolts to be reached effortlessly - ideal for installations under tight basins or behind panelling.

Precise guidance.
The claw head with integrated spring and stop ensures a secure hold and facilitates precise positioning on the screw connection. This prevents slipping and allows the force to be transferred in a controlled manner - particularly useful in awkward or poorly visible areas.

Technical attributes.

External square drive (inch)	1/2
Length mm (L)	345 mm
Version	With claw head
Size socket head screws mm	10; 13 mm

Logistics data.

Product no.	56013027
GTIN	4022668130277
Weight (g)	655 g
Volume (packaged, dm3)	1.508 dm3
Packing standard	1
WEEE/ElektroG	nicht ear-pflichtig
Customs tariff no.	82041200
Country of origin AWR	GERMANY
Region of origin	Nordrhein-Westfalen
Depth mm (IFS)	480
Width mm (IFS)	50
Height mm (IFS)	20
Weight (gross, kg)	0,745
Weight PAP (kg)	0,000
Weight PVC (kg)	0,116

Length (packaged, mm)	500
Width (packaged, mm)	58
Height (packaging, mm)	52
