STAHLWILLE®

Tool trolley 93

93/6

Product no.	**81200154**
GTIN	**4018754327508**
Model	**TTS 93/6 A**

Label.

Tool trolley 93/6 6 Drawer 481 x 877 x 1000 mm anthracite, RAL 7016; black, RAL 9005

Properties.

- **two-stage safety concept:**
  - central locking through cylinder lock with hinged key
  - tilt protection - makes it impossible to pull out several drawers at the same time
- 2 handles
- all-round ram protection
- durable plastic tray made of ABS with compartments for small parts
- oil and acid-resistant wheels (Ø 125 mm) with bearings protected from the ingress of dirt and fibres, and 2 parking brakes
- two-sided perforated panel for hooks no. 8031- 8041, e.g., for larger tools
- can be fitted with STAHLWILLE standard and TCS inlays
- 6 easily removable drawers, black, full-extension runners with bearing cage guide
- with paper roll holder

Benefits.

6 easy-to-remove drawers with practical full-extension runners, the ball cage guide ensures smooth running.

Oil and acid-resistant smooth-running castors (Ø 125 mm) with thread protection protect the bearings from dirt and threads; with 2 locking brakes.

High static load capacity of up to 500 kg; the bottom drawer has a load capacity of up to 45 kg.

2 handles, all-round impact protection and a hard-wearing plastic shelf made of ABS with practical compartments for small parts.

Central locking by cylinder lock with folding key; the anti-tilt device prevents several drawers from being pulled out at the same time.

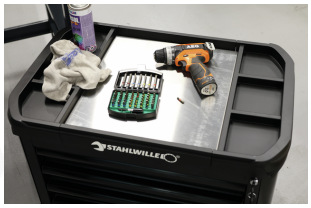

Product highlights.

PRODUCT IMAGE IN PROGRESS

Takes on anything.
The 877 x 481 mm work surface is particularly suitable for working on large components. The integrated compartments for small parts ensure a tidy and clearly arranged storage area. Thanks to its robust construction, the TTS 93 has a static load capacity of 500 kg. Thanks to reinforcements, the drawers can be loaded with 30 kg and the bottom drawer even with 45 kg.

Maximum safety.
The central locking system with side cylinder lock and folding key protects the tool from unauthorised access. The tilt protection prevents multiple drawers from being pulled out at the same time to avoid the risk of injury or damage.

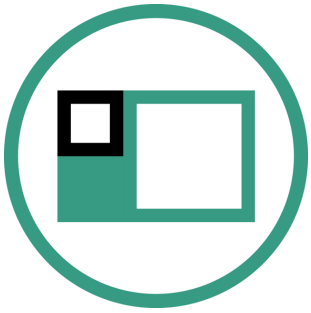

Order made easy.
The integrated compartments for small parts not only ensure a tidy and clear storage area, but also increase their functionality and create an organised environment where everything remains within easy reach.

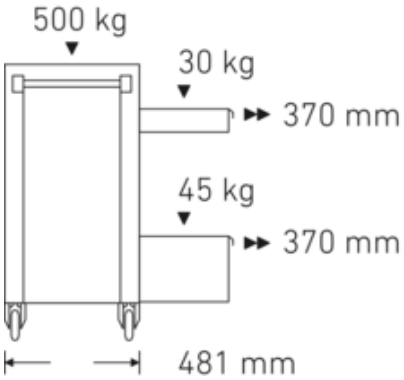

Optimally organised.
All drawers can be pulled out 100%. In combination with the STAHLWILLE standard and TCS inlays or the variable drawer dividers, you are always assured of a clear overview and convenient tool removal.

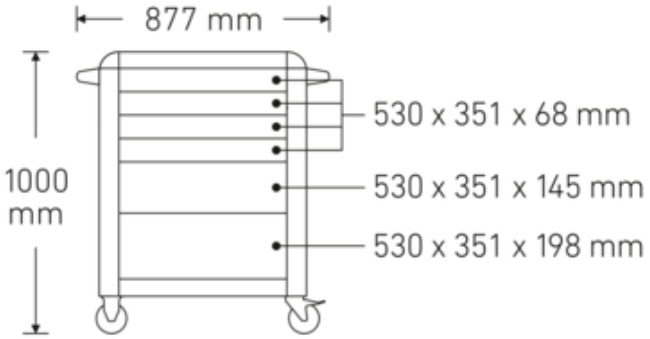

Technologies and features.

Modular Inlay System
This flexible solution for tool storage makes it possible to customise your tool trolleys and workbenches with 1/6, 1/3, 2/3 or 3/3 foam inlays.
