

IMPACT socket set on socket clip rail

50IMP/10-12918

Product no. **96231503**
GTIN **4018754363070**
Model **50 IMP/10-12918**

Label. IMPACT socket set on socket clip rail 10 pcs.

Properties.

- hex
- 1/2" internal square drive
- DIN 3129 / ISO 1711-2
- Chrome Alloy Steel, gunmetal finish
- secure fixing on plastic carriers with ball lock
- socket clip rail can be mounted on a wall/perforated wall
- DIN 3124 / ISO 2725-1 / DIN EN 3709 / ASME B 107.5M

Contains 10-pieces:

10 IMPACT sockets with hex 1/2" **No. 50IMP**: 8; 10; 12; 13; 14; 17; 19; 21; 22; 24 mm
+ socket clip rail **No. 12918/10**

Benefits.

High-quality set of 10 robust IMPACT sockets up to 24 mm for heavy-duty connections and screwdriving work on brake systems and special tools for brakes and wheels.

Made from wear-resistant Chrome Alloy Steel and gunmetal finish for high durability and corrosion protection.

The socket bar can be attached in a structured manner: via an integrated drilled hole, on plastic carriers or directly to metal surfaces using the magnet set.

The 1/2" square drive makes it optimally compatible with all common ratchets, extensions and drive handles.

The inserts sit firmly on a clip strip with sliding plastic holders, external square and ball lock.

Product highlights.

PRODUCT IMAGE

For powerful bolted joints.

The range offers a wide selection of sizes for particularly force-intensive bolted joints. The sockets are optimal for powerful work on special tools for brakes and wheels, brake systems, body parts, engine covers, axle connections and machine components.

Safe and durable.

Our screwdriver and socket sockets made of high-quality Chrome Alloy Steel offer excellent stability and resistance for continuous use. They have a black gunmetal finish for additional corrosion resistance.

Efficient tool organisation.

The inserts sit securely on the robust socket wrench strip with external square, ball lock and end stop. The sliding safety locks allow for individual arrangement. For maximum flexibility, the strip can be attached to walls, beams or directly to metal surfaces using a magnet set - for more order and space in the workshop or garage.

Technical attributes.

Number of tools 10 pcs.
