# Tool trolleys 95 PRO

## 95/6 PRO

| | |
|---|---|
| Product no. | **81200160** |
| GTIN | **4018754334636** |
| Model | **TTS 95/6 A PRO** |

**Label.**

Tool trolley 95/6 PRO 6 Drawer 496 x 827 x 1020 mm anthracite, RAL 7016; black, RAL 9005

**Properties.**

- three-stage safety concept:
  - central locking with a lateral cylinder lock and hinged key
  - individual locks prevent inadvertent opening during transit
  - tilt protection - multiple drawers cannot be pulled out at the same time
- stainless steel with reinforced handle
- all-round collision protection with impact damping
- tightly welded, resilient work and storage surface; end panel made of stainless steel
- oil and acid-resistant wheels (Ø 125 mm) with bearings protected from the ingress of dirt and fibres, and 2 parking brakes
- paper roll holder and spray can holder included
- 6 easily removable drawers, black, full-extension runners with bearing cage guide
- two-sided perforated panel for hooks No. 8031-8041, e.g., for larger tools
- can be fitted with STAHLWILLE standard and TCS inlays

# Product highlights.

**Takes on anything.**
High-quality materials such as the tightly welded stainless steel tray with a scratch-resistant honeycomb structure ensure the durability typical of STAHLWILLE and prevent liquids from penetrating into the interior of the trolley. The work surface of 827 x 496 mm is particularly suitable for working on large components. Thanks to its robust construction, the 95 PRO has a static load capacity of 750 kg. Thanks to reinforcements, the drawers can be loaded with 30 kg and the bottom drawer with up to 45 kg.

**Secure down to the last detail.**
The drawers are centrally locked using a cylinder lock with a folding key. The single-drawer lock prevents unintentional opening while driving. In addition, only one drawer can always be opened at a time, ensuring reliable tipping protection.

**Full configuration as standard.**
Whether paper roll and spray can holders, all-round impact protection with shock absorption, perforations on both sides for attaching accessories, locking brakes or oil and acid-resistant smooth-running castors (Ø 125 mm) with thread protection. Our tool trolley comes with many features as standard.

**Optimally organized.**
All drawers can be pulled out 100%. In combination with the STAHLWILLE standard and TCS inserts or the variable drawer dividers, this ensures optimum overview and convenient tool removal at all times.

# Technologies and features.

**Tool Control System**
The intelligent modular inlay system protects and organises the tools in tool boxes, tool trolleys and workbenches. Two-colour foam inlays make checking the completeness of the tools quick and easy.
