#### Label.

Tool trolley 13217 LGE K bright yellow

#### Properties.

- without drawers
- robust and resilient polypropylene tool trolley for professional use
- with a top cover and a front cover that are removable
- the top cover is lined with dimpled foam to securely hold the tools in place
- customisable labelling options for the case
- 2 smooth-running double castors on the telescopic handle side
- can be converted for upright transport on 4 wheels with wheel set R 13217 (please order separately)
- extendable telescopic handle for easy transport
- 2 side carrying handles
- resistant to skydrol, acetone, petrol and hydraulic oils
- load capacity: 60 kg
- can be locked in 3 positions with a padlock

## Benefits.

Our tool trolley made of sturdy polypropylene can be freely equipped and is designed for up to 60 kg.

The trolley is resistant to skydrol, acetone, petrol and hydraulic oils.

Triple lockable with a padlock for optimal protection and security of the tools.

Reliable use in the workshop or on site - optimal for mechanics, machine setters, fitters and technicians.

The striking colour makes the trolley easily visible on construction sites, in workshops or when used outdoors, reducing the risk of tripping and accidents.

## Product highlights.

PRODUCT IMAGE

### More visible and easier to find.

The striking colour of our trolley increases work safety on construction sites, in workshops or when used outdoors, as it is highly visible, reducing the risk of tripping and accidents while also making it easy to find and locate in heavily used ranges.
