- L-keys for hexagonal socket screws
- Hex-Plus allows socket head screws to live longer
- High corrosion protection thanks to chrome-plating
- L-keys are quickly to hand thanks to their size markings
- Wear-resistant clip material for enhanced durability

High quality L-key set for hexagonal socket screws. Hex-Plus offers a larger contact surface within the screw head. This reduces the notching effects to a minimum and almost completely eliminates the risk of destroying the screw recess. The precise chrome-plated design ensures high corrosion protection. All L-keys are quickly to hand thanks to the laser-engraved size markings. Come in a practical clip fastener out of wear-resistant material enabling the L-keys to be quickly accessed.

L-Keys

We questioned the classic L-key design, since all too often the screw head recess is rounded out, meaning screws can no longer be tightened or loosened - and so the user finds the L-key slipping out of the recess. Wera Hex-Plus tools have a larger contact surface in the screw head. The notching effects are reduced and thereby the deformation of the screws. At the same time, as much as 20 % more torque can be applied.

Hex-Plus

Hexagon screws can endure a problem because the contact surfaces delivering the power from the conventional tool, is transferred to the screw via very small surface areas. The consequence: the screw can become damaged (rounding out). Hex-Plus tools have a greater contact surface that prevents this from happening! At the same time, as much as 20 % more torque can be applied. Good to know: Hex-Plus tools fit into every standard hexagon socket screw!

Size identification

The size of each L-keys has been engraved by a laser. In addition Take it easy L-keys have a colour coding according to sizes - for simple and rapid accessing of the required tool. Making it easy to find the right tool.

Surface protection

Chrome-plated hexagon L-keys for outstanding surface protection and long service life. High corrosion protection.

Secure hold and easy removal

The wear-resistant clip material ensures that the L-keys are securely held yet are easy to remove.

Set contents:

950 L-key, metric, chrome-plated, 1.5 x 45 mm

05021005001[1]	1x	1.5 x 45 mm
05021010001	1x	2 x 50 mm
05021015001	1x	2.5 x 56 mm
05021020001	1x	3 x 63 mm
05021030001	1x	4 x 70 mm
05021040001	1x	5 x 80 mm
05021045001	1x	6 x 90 mm
05021055001	1x	8 x 100 mm
05021065001	1x	10 x 112 mm

1) Regular hexagon
