

EAN:	4013288138927	**Size:**	150x60x45 mm
Part number:	05073240001	**Weight:**	192 g
Article number:	Kraftform Kompakt 28 SB	**Country of origin:**	CZ
		Customs tariff number:	82054000

- Kraftform Kompakt 28
- Kraftform holder with anti-roll feature, multi-component, bayonet blade and bit magazine
- Adaptor bayonet with stainless sleeve and strong permanent magnet
- Suitable for bits with 1/4" hexagon drive (Wera connecting series 1)
- Tough viscous bits for universal use

Wera compact tools with multi-component Kraftform handle for high working speeds and particularly ergonomic screwdriving. Bit magazine integrated in the handle, for storage of 6 bits. The bayonet blade can be retracted for tight screwdriving situations. It can also be removed for machine operation.The strong permanent magnet guarantees a tight fit of the bits.

Kraftform Kompakt 28

The sets in the series Kraftform Kompakt 28 are really something. A 2 position telescopic blade can be retracted into the handle for confined space operation or extended for more reach. It can also be removed and used as a 100 mm bit holder in the power tool. Six bits are conveniently integrated into a push-button opening bit magazine.

The telescopic blade I

When the unique telescopic blade is lowered into the handle, fast, easy screw-driving action is possible, even in the tightest spots!

The telescopic blade II

By pushing the clamping sleeve, the telescopic blade can be extended out of the handle and the compact tool becomes a full-sized screwdriver.

The telescopic blade III

If the clamping sleeve is pushed again the telescopic blade can be taken out of the handle, and be used as a machine bit adaptor.

Universal holder with stainless steel sleeve

Strong permanent magnet for secure fit of bits.

Manual and power tool operations

The sets come with a Kraftform handle, quick-release chuck and bits for manual and power tool operations.

Handle/interchangeable blade system

The handle/interchangeable blade system allows rapid exchange of the blades required for a wide range of applications.

Prevents hand injuries

The outstanding design of the Kraftform handle that fits perfectly into the hand prevents hand injuries such as blisters and calluses.
